## Chapter Membership Meeting

On Wednesday, October 16, 2019, the Board of Directors will hold our annual Chapter Membership Meeting at 10:00am following the morning conference break.

The meeting agenda will consist of approving the minutes from the previous meeting held Wednesday, October 17, 2018 at the 2018 Fall Conference as well as election of the 2019-2020 officers and members of the Chapter Board of Directors. All Chapter members are encouraged to plan to be in attendance at and participate in this meeting.

The minutes from the last membership meeting as well as the proposed updated list of the Board of Directors is available for review at:

<http://www.msswana.org/chapter-membership-meeting-at-2019-fall-conference/>

## Networking Activities

After conference sessions conclude Wednesday, October 16, attendees are encouraged to participate in one of two networking activities. There will be a golf outing at the Duncan Park Golf Club, which will include golf cart, lunch, and drinks. Club rentals will be extra, so bring your set if you can. Additionally, there will be a clay shoot outing at the Clear Creek Hunting Camp. Bring your own gun if you can, but lunch and ammo will be provided.

Then all are encouraged to join us that night at 7pm for our networking banquet just down the street at the Natchez Community Center, sponsored by **Matrix New World Engineering, K&L Environmental Solutions, and Pickett Industries.**

We'll have some great food, games w/ prizes, live music, drawings for door prizes, and plenty of fellowship time with your fellow attendees, exhibitors, and sponsors.

Attendees are welcomed to bring guests for \$25/person, which can be paid at the conference.

As the Mississippi Chapter continues to provide our membership with training and educational opportunities through our conferences, we continue to stress the importance of safety in the solid waste management industry as does the national SWANA organization.

We will try to provide important safety information at our conferences, but please let us know if you have any ideas or thoughts on how you'd like to see us do so. Contact our Safety Ambassador [Amberlyn Liles \(amberlyn@oxfordms.net\)](mailto:amberlyn@oxfordms.net) if you'd like to learn more about how your organization can build a better safety program.

Also, please be sure to visit <http://www.msswana.org/safety> for more safety tips and information.
