

Safety Presentation

SAFETY MATTERS

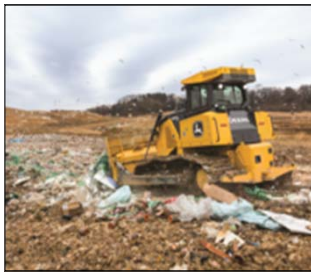

Safety Matters – Why?

- Family
- Friends
- Future

Surroundings

- Jobsite Hazards
- Weather
- Overall Surroundings

Visibility

- Forward Movement
- Rear View Camera
- Reverse - Spotter
- General Cab Vision

Size Matters

- Correct Machine for the Correct Application
- Load Options

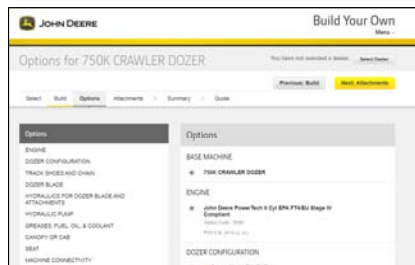

Serviceability

- Available Options
- Ground Level Accessibility
- Ease of Serviceability
- Extended Intervals

Configured Your Way

- Stribling Equipment and Empire Truck Sales can build-to-suit.
- That means it is your truck, specifically for your needs, built your way.

Technology

- JDLink Monitoring
- On-board Diagnostics

Questions?
